

More than just bikes

Not only can you get the bike of your dreams, with Cyclescheme you can also pick out a selection of accessories that perfectly complement your style and requirements. Whether you're a seasoned pro or a cycling novice, great accessories are key for a comfortable and safe ride!

Revamp your ride

Already have a trusty bike? Keep it rolling for longer with new components. A Cyclescheme accessory only package lets you get the parts you need - with no new bike required.

Plus, get replacement parts to keep your cycle roadworthy such as:

- Frame
- Tyres
- Wheels
- Pedals
- Groupset
- Brakes
- Finishing kit
- Shifters

Save on your cycle accessories

And the best part? With Cyclescheme, not only can you obtain top-tier accessories, but you're also unlocking incredible savings. When you buy your cycling accessories through Cyclescheme, you save between 25-39% meaning more money in your pocket and more cycling gear for your commute!
